

Dear MLK Family,

On Wednesday, October 7 at 8:10AM, we will be holding a meeting with the MLK staff and our MLK community to highlight academic data from the past two school years and the data we have so far this school year. We will also be looking at our School Performance Plan and discussing our goals for this school year.

The meeting will not be more than 40 minutes and it will be a time for MLK to share with the community the great work occurring.

We encourage our families to join the meeting via Google Meet:
